WEATHER RULES AND FLAG SIGNALS

IN EVENT a sudden shower occurs, the starter will halt the races. If the rain, in the opinion of the track steward, is sufficient to cancel remainder of the contests, racing will not be resumed.

During the rain, spectators in bleachers are asked to take shelter in cars or tunnel. After the rain stops, sufficient time will be allowed for fans to return to seats before racing resumes. When it rains to extent that the program cannot be continued, the following rules will apply. If four events, not including time trials, have been completed, rain checks will NOT be honored. Four events will have constituted the program. However, if four events have not been finished, rain checks will be honored at following week's program.

EXPLANATION OF FLAGS

The Starter has a number of different color flags which he uses to communicate with the drivers. Here are the flags, and the messages they deliver:

GREEN FLAG, Start, course is clear.

RED FLAG, Stop, race is halted.

YELLOW FLAG, Caution, hold position,
get car under control.

WHITE FLAG, You are entering the
last lap.

BLACK FLAG, Disqualified, pull into pits.

CHECKERED FLAG, You are finished.

INSTRUCTIONS FOR SPECTATORS

FIRST AID — AMBULANCES ON GROUNDS AT ALL TIMES.

LOST AND FOUND ARTICLES — INQUIRE AT CONCESSIONS.

SERVICE TO PHYSICIANS — Physicians expecting emergency calls during the races should register their name at CONCESSIONS.

PUBLIC ADDRESS ANNOUNCEMENTS — Please do not ask to have announcements made or persons paged over the public address system, except under such circumstances as serious illness or accident. In this case go to the concession stand.

TIME TRIALS

Time Trials, the first event on the program is essentially important to all other races on the card. This is due to the fact that the order in which the cars qualify determines the races in which they are eligible, and the starting position they will have in those races. All cars have two qualifying laps, and the faster of the two laps is the cars official time for the evening.
